# THE MILLER GENERAL HOSPITAL FOR SOUTH EAST LONDON

FOUNDED IN 1783 AS THE KENT DISPENSARY

In 1837 Queen Victoria graciously consented to become the Patroness, when it was styled The Royal Kent Dispensary.

One hundred years after the foundation, two circular wards were added, and it was named The Miller Hospital and Royal Kent Dispensary in memory of The Rev. Canon Miller (the Founder of "Hospital Sunday") who at the time of his death was Vicar of Greenwich.

In 1908 the title was again altered to The Miller General Hospital for South East London.

In 1928 the number of beds was increased to 151, in 1935 to 167, in 1937 to 172, and again in 1947 to 180.

# THE 165th ANNUAL REPORT

OF THE

# BOARD OF MANAGEMENT

OF

# THE MILLER GENERAL HOSPITAL FOR SOUTH-EAST LONDON

---

We present our Report for the year ending December 31st, 1947, with a feeling of sadness that the Voluntary system is terminating, and that this will be our final Report. We wish to thank all those who supported the Hospital last year and previous years for their great kindness and generosity.

You will have received a letter informing you that the Miller Hospital Aid Society is continuing its voluntary work, to provide amenities for patients and Nursing Staff and research work, not covered by ordinary maintenance provided by the State. It is hoped that many will continue to subscribe.

## THE ALMERIC PAGET TRUST

The Board wish to place on record their very deep gratitude to the late Mrs. Almeric Paget, Lord Queenborough, The Hon. Lady Baillie and The Hon. Dorothy Paget,for their great kindness and generosity in providing and maintaining the Physiotherapy Department at this Hospital since May, 1916. The cost of providing this treatment, from which many thousands of South-East Londoners have benefitted has been over £70,000.

The Board would like to express their thanks to Lady Essex French for her great and untiring efforts in supervising the work of this Department since its inception.

## THE KING'S FUND

The Board wish to record their grateful thanks to the King's Fund for their very generous gifts consisting of maintenance grants of £4,250, and £1,250 towards the Combined Preliminary Training School for Nurses.

## THE MILLER HOSPITAL AID SOCIETY

We wish to express our most grateful thanks to Mr. E. E. Chapman, the Chairman of the Society ; his Committee, Honorary Secretaries and wonderful group of supporters for their great efforts in raising £3,500. This amount includes the gift of a hard tennis court for the Nurses' Home at Point House. The Society having already named seven beds will shortly name "The Miller Nurses' Bed" and later two Cots, one in appreciation of Mr. E. J. Gilson having raised nearly £350 from Bun Pennies, and the other "The Metropolitan Cot" in appreciation of the Sunday Metropolitan Football League, for their splendid efforts in collecting £500 in two seasons, an effort quite unique in Sunday football.

Finally, the Society's record to date is £42,524. Our thanks and congratulations for their proud record and best wishes to them for their future success.

## FINANCIAL POSITION

MAINTENANCE. We are glad to state that the income has been maintained exceedingly well, totalling £81,981 17s. 10d., but that the rising cost of practically every item necessary for the efficient running of a Hospital, coupled with a big drop in legacies, has meant a deficit of £30,252 16s. 9d. It will be noticed that we have received £25,000 from the Ministry of Health, but included in this amount are sums that would have come to us in the ordinary way from the Ministry of Health for the E.M.S. Services, Rushcliffe awards for Nurses' salaries and payments for the Medical and Surgical Post-graduates.

## PATIENTS ATTENDED

If costs have risen so have the number of patients, and here we can record a great year's work. 3,457 Inpatients were admitted, in spite of having three wards temporarily out of action due to much delayed re-painting. 186,177 Outpatient attendances compared with 176,942 in 1946 gives some idea of the work performed by all members of the Staff in the Outpatient Department.

## DEPARTMENTAL REPORTS

Reports from the Almeric Paget Physiotherapy and Rehabilitation, X-Ray, Pathological, Dispensary and Almoner's Departments appear on pages 14 to 17.

## CHRISTMAS TURKEYS

Mr. J. Sampson maintained his custom of providing turkeys and vegetables for the whole of the patients and staff at Christmas. We are most grateful to him for having done this for so many years, and thank him for his generosity.

## HARVEST FESTIVALS AND GIFTS IN KIND

We are pleased to acknowledge gifts received from Churches, Schools, etc., in connection with their Harvest Festivals.

We have again received goods to the value of £11 from The Royal Arsenal Co-operative Society Ltd.

These gifts are very much appreciated, and we should also like to express our most grateful thanks to :—

The Miller Hospital Aid Society for the gift ot a hard tennis court for the Nurses at Point House, and a vapour sterilizer.

Mr. A. Hubbard, for his generosity in doing engineering repairs.

Mr. H. Tyler, who has cleaned our chimneys for many years, free of cost.

Mr. T. Gordon Gardiner, for equipment for Shepherd Ward.

The South-Eastern Group of the London Industrial Committee, for the Ship's Wheel for the Rehabilitation Department.

The South Metropolitan Gas Company, for reconstructing the wheel at their Rotherhithe Works.

Miss C. A. Clark, for fresh vegetables.

## FLAG DAYS

The amount received from Flag Days in May and October was £495, and we thank the Organisers and Flag Sellers who so kindly gave their services.

## COLLECTING BOXES

We wish to thank all those who helped the funds by having boxes. Their efforts amounted to £443.

The Board, in appreciation of the collections of over £400 made by Mr. W. T. Golden, "the Pearly King", of Woolwich, in his special glass-fronted box, have named a Cot, which will be known as "The W.T. Golden Cot". (See page 120).

## CHRISTMAS STOCKING FUND

The collection was very successful raising £2,523. We thank all those who helped to obtain this sum.

## BRITISH RED CROSS SOCIETY HOSPITAL LIBRARY

We are very grateful to Mrs. Sherwood and Mrs. Harris, W.V.S., for continuing the work of Honorary Librarians.

## CANTEEN

This continues to give good service to large numbers of Out-patients, and thanks are due to the voluntary workers who come so regularly to do this work. It is hoped that they will continue to give this most useful service.

## FIRE DRILLS AND APPLIANCES

Messrs. Merryweather & Sons Ltd., have for a great number of years carried out quarterly fire drills to the Staff, and they also keep our fire appliances in repair. We thank them for this most useful service.

## HONORARY AUDITORS

We tender our grateful thanks to Messrs. W. A. Scott & Co., Chartered Accountants, of 50 Cannon Street, E.C.4, for their continued help in auditing the Hospital accounts in an honorary capacity.

## HONORARY MEDICAL AND SURGICAL STAFF

To the Members of the Honorary Medical and Surgical Staff the Board tender their grateful thanks.

They very much regret the resignation of Mr. Myles L. Formby, Surgeon to the Ear, Nose and Throat Department, who for 15 years has rendered most valuable services to the patients under his care, and has been a tower of strength to the Hospital. He has been elected Consultant to the Ear, Nose and Throat Department of the Hospital.

Dr. Richard F. T. Grace has been appointed Physician-in-charge of the Department of Psychological Medicine, and Dr. W. G. Tillman, Physician-in-charge of the Skin Department.

## NURSING STAFF

A good year of steady work. The Wards have all been redecorated and the Children's Ward has had the additional 4 cubicles which were badly needed for isolation. Recruitment of Nurses has shown slight improvement. Examination results have been exceptionally good. The marriage rate is still very high, but some of our married Nurses are returning to do some part-time nursing.

## NURSES' ANNUAL PRIZE-GIVING

Mrs. Francis T. Wheen presented the Pauline Paget Gold Medal to the best all-round nurse of the year at the Annual Prize-Giving, held on July 24th. It was won by Nurse Doris Stevens and is the gift of Lord Queenborough in memory of his wife, Mrs. Pauline Paget. The silver and bronze medals, gifts of The Hon. Lady Baillie and The Hon.

Dorothy Paget respectively, were presented to those nurses who had obtained the next highest number of marks: the silver medal was presented to Nurse Doris Kean and the bronze medal to Nurse Evelyn Dunkly, née Bayes. Other prizes of books were given by Members of the Board and the Honorary Medical and Surgical Staff.

## NURSING STAFF BAZAAR

The Annual Nursing Staff Bazaar was held on November 13th, and produced £507 18s. 2d. The Board would like to congratulate Matron, the Nursing Staff and all other members of the Staff, for this splendid result. We thank all those who helped to make the Bazaar such a success.

## COMBINED PRELIMINARY TRAINING SCHOOL

We have to report another successful year, and must congratulate Matron on keeping up a supply of nurses for this Hospital.

It will be of interest to many of our readers that we will be able to assist the Seamen's Hospital by taking some of their nurses on a maintenance basis in 1948.

## NATIONAL HEALTH SERVICE

The National Health Service will come into operation on July 5th, 1948, and "The Miller" with St. Alfege's Hospital will form the Greenwich and Deptford Group, Group 3, of the South-East Metropolitan Regional Board, and be administered by a Management Committee. It gives us great pleasure to state that three Members of the Board of Management and one Member of the Medical Council have been invited and have accepted membership to that Committee.

## CONCLUSION

The Board wish to record their grateful thanks to the Resident Medical and Surgical Staff, to the Matron and the Nursing Staff, and to the Administrative and the Domestic Staffs for their devotion to duty. 1947 has been a year of progress and the Hospital we love will be able to take its place in the new service proud of its reputation and efficiency. With a record of 165 years of service to the thousands of past patients, it is hoped that the spirit that has made "The Miller" will be kept alive, and that that little extra that counts will always make itself felt for the comfort of the patients of the future.

Signed on behalf of the Board,

FRANCIS THORNEYCROFT WHEEN,

*Chairman.*

# DEPARTMENTAL REPORTS

## THE ALMERIC PAGET PHYSIOTHERAPY AND REHABILITATION DEPARTMENTS

The Almeric Paget Physiotherapy Department continues to provide treatment by Massage and Movements, Electricity, Ultra Violet Ray, Ultra Short Wave Diathermy, Long Wave Diathermy, Wax, etc.

Children under five have exercises here. Individual ward cases are treated and the Evening Physiotherapy Clinic is run by this department. It is hoped that in the near future treatments will be extended into the homes of the patients by means of a Mobile Physiotherapy Unit, presented, staffed and maintained by the Almeric Paget Trust Fund.

The work of this department is ever on the increase, the heavy maintenance cost again being met by the Almeric Paget Trust through the generosity of Lord Queenborough, our President. The following treatments were given in 1947 :—

| | *Out-patients* | *In-patients* |
|---|---|---|
| Massage .. .. .. .. | 12,481 | 911 |
| Electrical .. .. .. .. | 24,347 | 1,108 |
| Radiant Heat .. .. .. | 14,950 | 472 |
| Ultra Violet Ray .. .. .. | 6,573 | 538 |
| Wax Baths .. .. .. .. | 3,096 | 69 |
| Exercises .. .. .. | 3,541 | 1,944 |
| | 64,988 | 5,042 |

The Rehabilitation Department consists of :—

(1) Gymnasia for individual and class exercises and games. This department also provides Infra Red treatment, Massage and Faradism where necessary. The staff also give general ward exercises to surgical cases.

(2) Occupational Therapy Department providing treatment for in and out patients. This department is at present having major war damage repairs completed.

The social and welfare work done by the Almoner in co-operation with the patients' employers and the local Disability Resettlement Officers from the Labour Exchange is invaluable.

The following treatments were given in 1947 :—

| | *Out-patients* | *In-patients* |
|---|---|---|
| Exercises .. .. .. .. .. | 14,936 | — |
| Ward Exercises .. .. .. .. | — | 12,160 |
| Occupational Therapy .. .. .. | 2,606 | 1,563 |
| | 17,542 | 13,723 |

## X-RAY DEPARTMENT

During the last twelve months the X-Ray Department has shown a rapid increase in the number of cases examined and in spite of increased staff the work frequently taxes our capacity to the utmost. This undoubtedly is due to the large increase of outpatients attending the hospital.

The modern apparatus in the new X-Ray Department is invaluable when coping with the considerable numbers of cases and the large variety of examinations asked for. We hope to instal shortly some new apparatus in the new screening room which ought to relieve the pressure on the radiographic room also.

We are glad to have Dr. Mansi back on duty after demobilization.

Cases examined in 1946—16,552.

Cases examined in 1947—19,437

## ELECTROCARDIOGRAPHS

Cases examined in 1946—796

Cases examined in 1947—1,219

This section of our work is of great interest to physicians.

Improved results have followed the appointment of a whole-time worker for this work instead of relying upon the services of any radiographer who was at liberty for the purpose.

## PATHOLOGICAL DEPARTMENT

The pathological laboratory in 1947 examined approximately 5,000 more specimens than in the previous year, which, in its turn, showed a marked increase over 1945.

This considerable increase in work performed, which is in general agreement with that noted in all other hospital departments, could not have been efficiently performed were it not for the fact that the new laboratory first used in 1939 had been planned to allow for the possibilities of such an increase.

By this foresight the Miller Hospital and the voluntary system again showed their ability to look to the future in being prepared for further increases in work and consequent ability to serve the locality.

## DISPENSARY REPORT

The work of the department has increased still further over the last year to keep pace with modern developments.

Amongst many interesting new drugs handled Streptomycin was brought over here by plane from U.S.A. for one of our patients.

Drug supplies are now greatly improved and we only hope this improvement will be maintained.

## ALMONER'S REPORT

1947 has been another year of continuous battle against poor housing conditions and lack of accommodation for our patients ; 145 visits have been made on our patients in order to decide whether the conditions justified a medical certificate in support of the application for re-housing, and to help them to make the best possible use of often deplorable circumstances. Some patients have been moved, and it is indeed a joy to see their happiness and improved health in new homes, but for the large majority the Almoners can do little but suggest and provide means to make them slightly more comfortable.

With the ever insistent need for beds a new record for the transfer of patients has been set up. Over 600 were sent to special treatment centres, hospitals and sanatoria, convalescent homes of all types, homes for old people and advanced cases—including 168 to the Schiff Home Cobham, which again has been of invaluable assistance. Arrangements must be made for each of these vacancies, the journey mapped out and escorts obtained. Every day the need for transport seems to grow greater with the increased number of patients attending Out-patient and Re-habilitation Departments, often unable to use public conveyances. This is a work that we feel will grow rather than decrease in the future with the need to get patients out of the ward as soon as possible and the use of modern surgery and drugs. The Almoner must always be ready with the correct knowledge of where to send the patient and the best means of transport available.

1,590 instruments have been supplied at a total cost of nearly £5,500. These like the cost of convalescent homes have risen greatly since pre-war days, but the large percentage of the money has been raised from the patients and various sources.

D.H. was a girl of 16, who came to us with a deformed left arm. After months of treatment and operations it was decided that nothing further could be done and though there was improvement she would never have full strength and movement of it. D. was a country girl who had always lived alone with her mother and her one great desire was to be a Children's Nurse. Many enquiries were made at Children's Hospitals and nurseries to see whether anyone would take her for training and at last the Superintendent at one of the biggest nurseries agreed to interview her and give a candid opinion as to her physical suitability for the work. As a result of this it was decided that the risk for the child was too great and D. was advised to do something else. She was very upset at this and we feared she might give up trying, and develop into a permanent dependent on her mother. Several interviews took place between D. the Doctor, Almoner and Disablement Re-habilitation Officer all with no result, until at last librarianship was suggested and met with immediate interest. The girl and her mother were delighted—a post was found in a library in the City where she settled down quickly

and gave great satisfaction. She is now working very happily, has gained confidence in herself, and is making such good progress that there is every prospect of her getting into the Children's branch and making a good career for herself.

J.B. was a man of 57, admitted to the ward with a very bad heart. He was a carpenter often working at heights on buildings and it was soon realised that he would never return to work. He was an independent Northerner, a skilled craftsman of the old fashioned type and the idea of inaction and dependence on others, both physically and financially, was a very great blow to him. His savings had been used during his long illness and he shrank from applying for state assistance. After many talks with the patient and his wife, the Almoner at last persuaded them to let her apply for a special voluntary fund pension for him. Having overcome their initial reluctance the B's proved most co-operative, and made an excellent impression on the pension authorities, who agreed to make an allowance until the New State pension comes in July 1948, and will always see that he had additional comforts that may be necessary. The patient is now freed from acute financial worry. The Almoner arranged for him to be provided with a wireless, magazines and bits of wood, so that when he is well enough he makes toys for the children.

Towards the end of 1946 a Registration Department was set up in the Out-patient department thus relieving the Almoners of much clerical work and leaving us free to do the social work that is so much needed. The patients are now seen by the Almoner after they have been to the Doctor and we thus have a far greater knowledge of the probable future plans and are able to see that the patients are given adequate assistance to carry these out when needed. This is a great advance, and we welcome the change.

We have examined the above Balance Sheet, also the Income and Expenditure Account, and the Accounts of the Hospital Extension, Endowment and Samaritan Funds, and compared them with the Books and Vouchers, and find them in accordance therewith.

We have also examined the accounts of the Convalescent Home and found them in accordance with the books and vouchers relating thereto.

To the best of our knowledge and belief the regulations of the Revised Uniform System (as modified by the instructions of King Edward's Hospital Fund relating to the treatment of Free Legacies dated December 1940 and to the treatment of Reserve for Renewals and Repairs, dated 23rd March, 1943) have been followed.

The investments stand on the books at cost price or at the price ruling at the date the investment became the property of the Hospital. In view of the nature of the funds they represent we do not consider it necessary to adjust the prices to correspond with market fluctuations.
